## Description of Project.

This past June, my project partner and I visited the National AIDS Memorial, the LGBT Community Center of New York, Stonewall Inn, the Leslie-Lohman Museum of Gay and Lesbian Art, the Lesbian HerStory Archives, AND attended one of the biggest pride festivals and marches in the world.

## What was transformational

I am re-inspired to embrace my identity and be proud of who I am as a result of engaging with my community's history in New York City.

## Why this project?

I wanted to travel to New York to learn the history of my community and engage with that content in a way that would help me educate others about the LGBTQ+ community.
